Dear Ms. Das,

Thank you for the kind letter of congratulations you sent December 4th on behalf of Canadians for a Civil Society. The transition period following the election has been an incredibly busy time, and I sincerely apologize for the delayed response. I feel honoured and humbled to have been elected as the representative for Calgary Centre in the House of Commons, and will work hard to deliver on the strong progressive mandate the people have given the new government. In addition, I am thrilled with my new role as Minister for Veterans' Affairs, along with the Associate Minister for National Defence.

As we move forward over the next four years, I look forward to working with outstanding groups such as Canadians for a Civil Society to foster greater compassion, promote understanding, and create an inclusive Canada.

Sincerely,

Kent Hehr, M.P.
Calgary Centre
